

Join Bellville's unique taste tour

The next 12-mile Taste Tour will be hosted on Saturday 19 November and is Bellville's own unique "food walk". It is hosted by local restauranteers in partnership with the Greater Tygerberg Partnership (GTP).

The tour will take visitors through the CBD from 10:30 until 13:00 and, led by a guide, participants will be taken on a strategic route through the city centre that will show all that Bellville's "Afri-politan" cuisine has to offer.

The tour is hosted by the community of foreign-born entrepreneurs from East and North Africa, as well as parts of Asia and Europe, who have set up their ethnic food stops in the Bellville CBD.

Businesses and organisations are invited to partake in the tour for a team-building session as an exciting, adventurous and safe team activity, invites the GTP.
